2015 South Australian Tourism Awards

**Elderton Wines
SILVER**

An extremely exciting time for us coming second (only to Seppeltsfield) out of all South Australian Tourism Wineries, Distilleries & Breweries that entered. More proof that Elderton not only make amazing wines, but are a MUST on the visit list!

new vintage release

2014 High Altitude Cabernet Sauvignon NOW AVAILABLE

94 Halliday Points

"Matured for 15 months in used French oak this is a very useful cabernet, it's freshness preserved by it's good natural acidity (a corollary of the modest alcohol), cassis thus an integral part of the wine, the tannins fine but important."

2016 James Halliday Wine Companion

stock reminder

Elderton Elite Wines

Following from Al's email last week please start thinking about allocations and pre-sell of our Elite's—The 2012 Command and 2013 Ashmead that will be released to the public 1st March, 2016. These are extremely limited production and we do not want to disappoint anyone.

wine of the month

2010 Command Shiraz

95 Halliday Points — 95 Parker Points

"...Full bodied, very structured and still showing oak, the palate is fresh, very clean and pure with plenty of spice lingering in the long finish." Parkers Wine Advocate
The 2010 Command Shiraz is the perfect Christmas gift, or way to impress your family and friends on the 'dining' table on Christmas Day.

Definitely a special December 'Wine of the Month'.

fire update

We are lucky (and happy) to say that the Elderton winery, staff and properties were all safe and unscathed in the recent 'Pinery Bushfires'. Our vineyards look great and we are still expecting a super vintage in 2016. We would like to thank

everyone for their emails, calls, texts and thoughts during this scary time. Our thoughts are with everyone affected.

(This photo is not of our vineyard, rather one at Shea-Oak Log during the blaze)

merry christmas

From the Ashmead family and the team at Elderton Wines, we wish you a happy and safe festive season!
