 Cellaring potential 10+ years. Be patient, this wine will benefit from further aging.

 Cellaring potential 5+ years. Still evolving, but will drink very well.

 At peak. Think about drinking now and over next few years.

 Drink now.

Please note this cellaring chart is a guide only. The variability of cellaring conditions, along with personal taste, mean that Elderton cannot guarantee a wine is at its peak. We recommend storing wine in a dark environment with a cool, stable temperature.
