MONTHLY UPDATE - APRIL 2019

2019 VINTAGE UPDATE

Vintage 2019 is all but over! We are waiting on one more load of grapes to come in to the winery (Semillon from our Greenock vineyard for the Golden Semillon) and have a few ferments still in the open fermenters, but most of our 2019 reds are already in barrel! This quick, less than 4 weeks, of vintage has lower yields than previous years, but the quality of 2019 wines is looking outstanding.

Check out our social media for pictures and updates throughout #v19.

WINE OF THE MONTH - 2016 BAROSSA SHIRAZ

Full bodied, rich; a classic Barossa Shiraz

The 2016 vintage was outstanding with the wines showing great intensity and suppleness. I think this is another amazing vintage of the Elderton Shiraz, following in the footsteps of many of the phenomenal wines made under this label in the last 30+ years. - Richard Langford, Winemaker

92 points, The Wine Front

Luscious shiraz. A very good release... Mouthfeel and flavour are on song here.
