

BAROSSA

## REVIEWS FROM *THE WINE ADVOCATE* 12 JUNE 2019, REVIEWS BY JOE CZERWISKI

### 2016 FIFTEEN SHIRAZ

#### 97 POINTS

*The top Shiraz in the lineup is the 2016 Fifteen Shiraz, a hefty mouthful of licorice and mint-scented Shiraz. From vines planted in 1915, it's full-bodied, intensely structured and almost painful in intensity, yet the tannins are ripe, the alcohol levels are not out of hand (15%) and the oak has blended into the fabric of the fruit. With hints of grilled meat, dark fruit and mocha notes on the long finish, this wine should age effortlessly for up to two decades.*

### 2015 COMMAND SHIRAZ

#### 94 POINTS

*The 2015 Command Single Vineyard Shiraz fits the mold of a big, bold, Barossa Shiraz. Vanilla and baking spices accent blackberry and mulberry fruit on the nose, while the full-bodied palate is ripe and creamy, supple and richly concentrated through the long, soft finish.*

### 2016 ASHMEAD CABERNET SAUVIGNON

#### 94 POINTS

*The 2016 Ashmead Single Vineyard Cabernet Sauvignon features gently herbal notes of bay leaf and sage accenting deep cassis fruit. From a top-notch vintage for Barossa Cabernet, it's medium to full-bodied, with a structure of fine-grained tannins and varietal restraint, a smooth, streamlined feel and a lingering finish.*
