

BAROSSA

MONTHLY UPDATE - OCTOBER 2019

WINE OF THE MONTH: 2019 BAROSSA ROSÉ

Small parts of our Mourvedre and Grenache blocks on our Greenock vineyard were identified early in the ripening process to be ideal for the production of our 2019 Barossa Rosé. Picking the fruit ripe to ensure the wine has flavour, but early enough (weeks before we picked the rest of the grapes for our GSM) to retain delicious acidity has allowed us to create the type of rosé that will put a smile on the face of anyone who drinks it.

Style Dry, zesty, pretty

Aroma & Palate Lifted aromatics, musk, blossom and rose petal

2015 COMMAND SINGLE VINEYARD SHIRAZ

The Elderton Command Shiraz has established an enviable reputation since the first vintage in 19 of Australia's best and most highly regarded icon wines.

The second generation of the Ashmead family, and Elderton Co-Managing Directors, Allister and the current custodians of a rare piece of Barossa Valley viticultural heritage, continue their passion and expectations to produce a great wine of the world. The Command is truly an expression of which the family intends to preserve for generations to come.

Planted in 1894, the Command vineyard is classed as an Ancestor block by the Barossa GI. We celebrate the vineyard's 125th birthday in 2019.

95 POINTS - HALLIDAY'S WINE COMPANION 2019
While marriage is remembered the sort of marriage, old wine (love power that warm climate Australia does so well. The violet, plumy, melon of plummy fruit and Chinese five spice remain this brooding, wine's scolding cast.

94 POINTS - THE WINE ADVOCATE, 12 JUNE 2019
The 2015 Command Single Vineyard Shiraz fits the mold of a big Shiraz. Vanilla and baking spices accent blackberry and mulberry while the full-bodied palate is ripe and creamy, supple and rich through the long, soft finish.

IT'S SPRING AND WE START ANOTHER YEAR OF GROWING

Budburst is upon us, and moving quickly in each of our vineyards, especially the Shiraz blocks. We are pleased that we had about 20mm of rain last week, great timing as the vines awaken from another winter. We have also recently bought a frost fan, which is looking after the 1894 Command Shiraz block, protecting the precious buds from spring frosts.

To the left is the 1915 Shiraz block, which produces fruit for the Fifteen Shiraz.
