### 2019 COMMAND SHIRAZ 1 MARCH 2023 RELEASE

96 points, Dave Brookes, Halliday Wine Companion 2023

*Rich and commanding as always, with intense dark plum, blackberry and black cherry fruits, fruitcake spice, black strap licorice, high-cocoa dark chocolate, cedar and roasting meats. Full bodied and pure with superb fruit depth, superfine gypsum-like tannins and a concentrated and balanced finish that lingers admirably.*

### 2020 ASHMEAD CABERNET SAUVIGNON 1 MARCH 2023 RELEASE

95 points, Dave Brookes, Halliday Wine Companion 2023

*Very tightly coiled aromatic profile showing blackberry, cassis and blackcurrant fruits sheathed in fruitcake spice, briar, espresso, pressed flowers, earth and dried herbs. Fruit pure with a graceful line across the palate, chocolaty oak, fine tannin and an elegant cassis-laden exit.*

### 2020 HELBIG 1915 SHIRAZ OCTOBER 2022 RELEASE

95 points, Dave Brookes, Halliday Wine Companion 2023

*An impressively proportioned wine with considerable fruit density and power. Broody and concentrated blackberry and dark plum fruits with hints of cassis, clove, coal dust, sour cherry, salted licorice, dark chocolate, turned earth and dried herbs. It's no wallflower with a thick-shouldered, lumbering gait across the palate, super-concentrated black fruits, tight assertive tannins the provide savoury support and a hint of alcohol on the intense finish. One for the power hounds.*

### 2019 ODE TO LORRAINE AVAILABLE NOW

92 points, Dave Brookes, Halliday Wine Companion 2023

*Elderton's cabernet/shiraz/merlot blend was added to their wine quiver with the 1992 and is named in honor of the co-founder of Elderton Wines, Lorraine Ashmead. The meeting of briar-edged blackberry fruits and the plush plum and red fruits is done well here. There's elegance to its line, with excellent fruit intensity and detail, cedary oak and powdery, chocolatey tannin in support. There's a graceful line of spiced red and dark fruits through the exit.*

### 2020 NEIL ASHMEAD GRAND TOURER SHIRAZ VERY LAST STOCKS AVAILABLE NOW

93 points, Dave Brookes, Halliday Wine Companion 2023

*Deep, resonant notes of black cherry and dark plum are cut though with hints of baking spice, espresso oak, licorice and Old Jamaica chocolate. Weighty and velvety in the mouth, with impressive black-fruit flow, no shortage of spicy oak nuance, grippy tannin support and an enduring finish showing plenty of latent horsepower under the bonnet.*
