

OUT AND ABOUT WITH ELDERTON

1. Our 2024 vintage team taking a brief (and very funny) moment away from all the wine work; 2. We were so pleased to host a group of wine lovers from The Netherlands during their South Australian tour in November; 3. Allister with Martin Liu during Allister's Hong Kong visit in November; 4. Commanders Cliff and Terri enjoyed a special lunch celebration in the Commander Lounge in September last year. Vale Terri. 5. Cameron was busy at the Prowein trade show in Germany early in March.
